

STUDIO XIV PRESENTS

ESTRGE

SATURDAY, MAY 27, 2023

Welcome to Club XIV, where all we play are the club bangers you know & love! Featuring music from Usher, Shaggy, Destiny's Child, Lady Gaga & more, this show is heavily influenced by the early 2000's & will guarantee to have you dancing in your seats.

Starring 60+ beginner to advanced level dancers performing heels, sneakers, jazz funk & hip hop.

Over the past 3 months, our performers have gathered each week to learn new skills & rehearse their dances. Their dedication to the program & the show has been out of this world - coming in early to practice in the hall before class, on weekend nights & early mornings, & never letting their positive energy drop despite the countless crazy situations that life has thrown them.

We are incredibly proud & can't wait to show you what we've been working on!

ENJOY THE SHOW!
